

Dear families, enrollment for extracurricular activities at the School for Europe for the academic year 2024-2025 are about to open.

NEW REGISTRATION MANAGEMENT SOFTWARE: creation of personal data and access to the Squby.it management software

This year there will be a new management system for registrations.

We therefore ask you to access the management system and create your account **BEFORE ENROLLEMENT FOR THE WORKSHOPS ARE OPENED**: this will make it easier for you during the actual registration phase as you will have already logged in to the platform and will not have to waste time doing so at the moment of choice of activities.

The management software is <https://www.squby.it/> and you can access both from the app and browser by clicking on the following link

https://live.squby.it/custom/associazione_ecole.aspx?grest=bc5873f1-07f6-4857-999d-bd6b53b73f42

or by scanning the QR-code.

Iscrizione a Ecole Società Cooperativa Sociale ETS

Indirizzo: via G. Belli 10/a 43126 - Parma (PR)
P.Iva: 01690500341
Email: info@grupposcuola.it - Tel: 0521244855

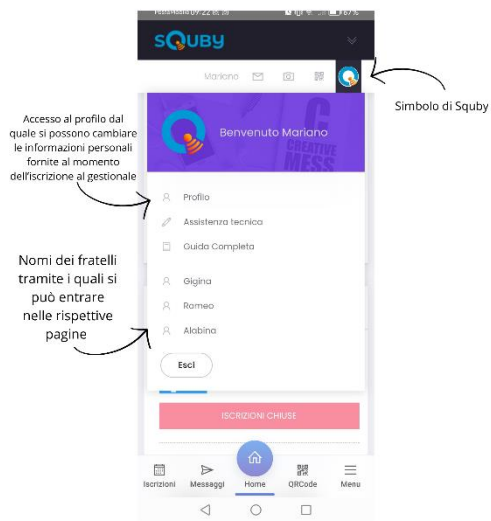

How to create your own database on the management system:

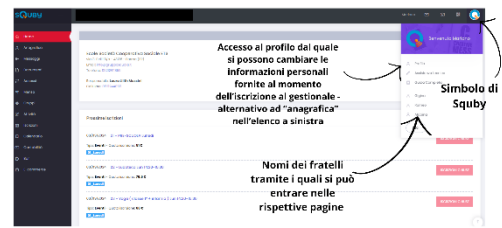

- 1) "crea il tuo account": here you need the child's data, it is the children who are registered (not the parents) - an account must be created for each child - you can use the same email for all the children, but the password must be different for each child (each child must have his own password)
- 2) "scheda partecipante": these are the child's data; N.B. the "School for Europe" location must be selected
- 3) "Altre informazioni": all the requested information must be provided here
- 4) "scheda genitori o chi ne fa le veci": all the requested information must be provided here.
- 5) at the bottom of the form it is necessary to select the "group" (childhood - primary) and provide authorization to process personal data.

Once you have created all the accounts for each child who will be enrolled in extracurricular activities, you will have your profiles ready for when registration opens.

	atelier delle storie		
	chitarra		

The School for Europe has provided various benefits in its specifications:

- Application of a discounted rate (see table) for families enrolling two or more children
- Free for students with certified disabilities pursuant to Law 104/92
- Concessions and one free payment for every 15 students enrolled, for economically disadvantaged students reported by the educational institution.

To access the benefits it is necessary to report your condition already during the enrollment phase and, subsequently, deliver the proving documentation to the School (L.104/92 certification, ISEE certificate, etc.).

You can calculate the fee for maternal cycle using the [FEE SIMULATOR](#).

You can calculate the fee for primary cycle using the [FEE SIMULATOR](#).

ORGANIZATIONAL ASPECTS

To find out all the details of the organization [CLICK HERE](#).

ENROLLMENT TIMES AND METHODS

Registrations FOR THE 1ST SEMESTER from 3/9/2024 to 7/2/2025 will open on 17 July at 12:00 PM and close on 9 August 2024.

You can register online by accessing the Squby.it platform with the credentials you have already created for each child.

VALIDITY OF ENROLLMENTS

The first registration is valid for the period of activity from 3 September to 7 February. For the second period (10 February - 4 July) it will be necessary to register again in January.

The laboratory activities will be structured over periods of approximately five months.

Exceptions are the courses of: SPANISH, ITALIAN, ENGLISH, FRENCH and GUITAR for which ONLY ANNUAL registration is required: you register now for the whole year. Participation in these courses is not expected for one period only. For the guitar course: if there are a sufficient number of requests, a new group can be added in the second semester.

ATTENTION:

- ❖ The modules of the same workshops that are repeated during the week have the same programming (the same activities will be done), therefore it is recommended to register for the workshops only once.
- ❖ The laboratory programs will be repeated in the same way from the first to the second semester: after the first period ends in February, the programs will start again from the beginning and will be repeated in the second period.
- ❖ Right of precedence: in November we will ask those who want to confirm registration for the workshops also for the second period, so as to guarantee continuity for those interested. Anyone who does not confirm will lose the right of precedence and will have to proceed with registration normally for the second period.

PAYMENTS

Payment must be received by August 30, 2024 via bank transfer.

For any need for installments, we can divide the payment of the first period into two installments: first payment to confirm enrollment by August 30th, balance by November 30th, AFTER COMMUNICATION TO THE OFFICE (VIA EMAIL info.edu@ecolecoop.it and to a sangonelli@ecolecoop.it).

DATA FOR BANK TRANSFERS

IBAN: IT54C0306909606100000137253
